SUBJECT No. 560.

Collegiate and higher education.

Mr. V Raghavachar, Pavagada taluk.

Summary of Representation.—In colleges and high schools in the State, education has become very costly. By this, poor boys who are intelligent are deprived of education and are consequently led astray. To make education less costly and bring it within the reach of poorer classes, certain measures, such as utilization of certain surplus amounts in Muzrai institutions, minimising unnecessary expenditure in the State, and levying taxes on persons who have enriched themselves at the expense of poor ryots and who do not contribute anything to the income of Government, may be adopted. This will enable poorer classes to obtain knowledge in sciences and arts.

SUBJECT No. 561.

Control over colleges.

Messrs. Chik Ramanna and Girmaji Rao, Kolar taluk.

Summary of Representation.—The present two colleges in the State may be placed under the control of the Inspector-General of Education.

SUBJECT No. 562.

Intermediate Colleges of Science at Tumkur and Shimoga.

Mr. K. Ramanuja Iyengar, Gubbi taluk.

Summary of Representation.—An Intermediate College of Science manned purely by nature professors is urgently needed, one at Tumkur and another at Shimoga. This would afford the required facilities to the number of school-leaving certificate holders of groups 1 and 2 for continuing their higher education. The increase of the number of such institutions is essential for the development of different industries.

SUBJECT No. 563.

Agriculture to be taught in all A.-V. schools.

Mr. Krishnachar, Kolar District Board.

Summary of Representation.—It is prayed that practical instruction in agriculture may be made a part of the curricula of studies in all village schools.

SUBJECT No. 564.

"Model schools" in the malnad.

Mr. Venkataramaiya, Manjarabad taluk.

Summary of Representation.—Government are aware that education in the malnad is rather poor. In order to improve it, Anglo-Vernacular schools in malnad taluks may be made "model schools."

SUBJECT No. 565.

Instruction in sloyd.

Messrs. Danasetty and Chandrasekharayya, Dodballapur taluk.

Summary of Representation.—It is prayed that sloyd which is now taught only in high schools may be taught in the Anglo-Vernacular schools as well.

SUBJECT No. 566.

Elementary teaching in ambulance.

Messrs. Y. Rama Rao, H. Venkataramiah and K. Nallappa, Tumkur municipality.

Summary of Representation.—Introduction of the elementary teaching in ambulance in all the high school classes in the State may be undertaken.

SUBJECT No. 567.

Abolition of the post of Circle Inspectors.

(*a*) Messrs. Kallegowda, Mudgere taluk, and Agali Venkataramiah, Sira taluk.

Summary of Representation.—(*a*) As the inspection duty of the Anglo-Vernacular schools vests in the Inspectors, the post of the Circle Inspectors which is unnecessary and costly may be abolished.
